

DEGREE TRACKING WORKSHEET

This worksheet provides a way to track the coursework you are completing to fulfill your general education, major, and minor field requirements. However, WebCAPP, a web-based automated degree-checking tool, is a much better way to do this. Instructions for generating and interpreting your WebCAPP are available at: <http://www.fortlewis.edu/registrar/degree.asp>. An official graduation checklist (WebCAPP Degree Audit) will be made by the Registrar's Office after you have earned 80 credits and completed the petition-to-graduate process.
